Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's attorney agreed to an Examiner's amendment to amend Claims 1,42,51,52, to overcome antecedent objections stated in the prior office action, delete Claims 15-16 to overcome the objections to the Drawings. The reference number 15 will be replaced with 9 in Figures 3 and 3A to overcome the objections to the Drawings along with the appropriate corresponding changes in the specification. The applicant's attorney agreed to replace the word "regulate" with --affect-- in Claim 46. Claims 55 and 57 are corrected to address minor formality issues. The Examiner explained to the applicant's attorney that copendency was non-existent and therefore the claim for priority is improper. These changes are made in order to place the application in condition for allowance.
